

Membership Application

The purpose of the Arkansas Airport Operators Association, AAOA, is to serve the interest of the owners and operators of all airports within the State of Arkansas. Specifically: 1) Provide for the exchange of ideas, methods, information, and experience as related to the operation and management of airports; 2) Promote and encourage the public's understanding of the value of aviation and the importance of an airport to the community; 3) Provide a unified voice for airports within Arkansas to local, state and federal agencies and to the State Legislature and the Congress of the United States on all proposed or pending legislation relating to aviation; 4) Promote safety in the development of airport facilities and operating procedures; and 5) Support academic endeavors of the membership and the aviation educational programs within the State of Arkansas.
